

**Second Grade Happenings**  
**October 1, 2009**

**This Week's Memory Verse**

"Now go! I will help you speak. I will tell you what to say." Exodus 4:12

**Next Week's Memory Verse**

"Those who go to God Most High for safety will be protected by God All-Powerful." Psalm 91:1

**Science Project**

Children are to create a model of their chosen sea creature no larger than a shoe box. No store made creatures will be accepted. I want the children to have the joy and learning that comes from making it themselves. Each student must be prepared to present their model, along with three facts about their creature, to the class on October 8.

**This Week's Spelling**

even	crashing
their	kindest
animal	squinted
frogs	filled
foxes	thanked

**Next Week's Spelling**

here	bumped
use	yanked
used	filling
stranded	crashes
smelled	tricks

**Field Trip Money**

A few of you have yet to turn in the \$10 fee for our upcoming field trip. Please care for this matter promptly.

**Sweaters**

With the arrival of cooler weather some children will be wanting to wear a sweater in the class room. This is appropriate, but the sweater must be red, white, or navy. It should be plain, with the possible exception of an OJA logo. Other types of sweaters are allowed for warmth outdoors.

**Math**

The addition test will be on Friday. We have been working on subtraction with regrouping this week.

**Inservice**

Teachers will be attending an all-day inservice on Monday, October 5. School will be closed on that day.
