

5th Grade Bible--2009-2010

Textbook: Fruits of the Spirit Pacific Press

Class Work----80%

- My Prayer Journal:

This is a journal in which you will be asked to record thoughts, observations, illustrations, reflections, and prayers and praises about your God, your family and friends, your community, and about world concerns.

- Activities/Discussion/Projects:

You will work together with classmates, and independently, on many activities and projects as you study each Fruit of the Spirit. Participation, timely completion of your assignments, and taking part in discussions are all very important components of being a successful learner in Science class!

Memory Verses----20%

Each week you will be required to memorize a verse from the Bible. Your verse will be related to the Fruit of the Spirit that we are studying for that week. You will examine the verse very closely, discuss it's relevance to your life, and then apply it to your words and actions. This verse and your thoughts and reflections will be written in your Prayer Journal. You will be required to recite it for memory on Friday of each week.
