

# "ME BOX"

For the months of August and September our theme is **All About Me**. We will be doing activities that will help us to get to know each other and learn each others' names. Beginning next Monday each child will take turns being the Star Student of the Day. The Star Student of the Day will be my Special Helper throughout the day. The students will lead out in our morning meeting, be line leader, be the person we celebrate, and have the privilege to sit in the Special Chair. We will cheer their name and listen to them share their ME BOX.

ME BOX- Find an empty shoe box (the students may decorate it). Parents, I encourage you to help your child find items that they can share with the class. The items should be things that represent who they are, things they like, and/or activities they like to do. For example, a soccer jersey (if they play soccer), doll (first gift), apple (their favorite fruit), etc. Remember, these items should fit in a shoe box. Have fun!
